

A STRATEGIC MOMENT FOR THE HILLTOP

June 2, 2026

Dear Friend,

For 125 years, God has faithfully worked through God's Bible School & College to prepare men and women for ministry and service around the world. Every generation has benefited from the faith, sacrifice, and vision of those who came before them.

Today, we have an opportunity to do the same.

As you know, we are making exciting progress on the new Adcock Chapel foyer through our 125th Capital Campaign. This much-needed addition will preserve the character of our historic chapel while creating a welcoming space for students, guests, and our growing campus community.

At the same time, God has opened the door to two unexpected opportunities that will strengthen our campus for years to come.

Opportunities We Cannot Afford to Miss

- **A Strategic Property Acquisition:** A home located within our campus footprint has become available for purchase. Opportunities like this are exceedingly rare. Acquiring this property will help us steward and strengthen the Hilltop for future generations, providing flexibility for future housing, ministry, and campus needs.

The purchase price is \$215,000.

- **Enhancing Our Campus Entrance:** We are also constructing a decorative entrance wall that will improve the appearance of our campus while providing needed stabilization to a shifting hillside near our main entrance. Because much of the work is being completed in-house, this project can be accomplished for less than \$10,000.

Will You Help Us With These Summer Projects?

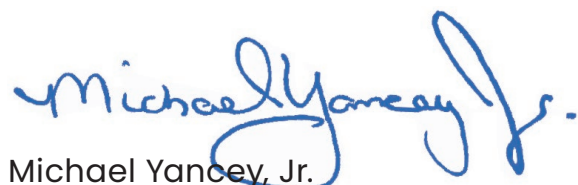

Summer is one of the most challenging seasons financially for GBS. While students are away, we continue investing in campus improvements, facility maintenance, and projects that prepare us for the coming school year.

Would you consider making a special gift today?

Your generosity will help us secure this property, complete needed campus improvements, and continue preparing the Hilltop for the next generation of students called to serve Christ.

Thank you for your faithful partnership. Your support has helped sustain the ministry of GBS for 125 years, and your investment today will help ensure its impact for years to come.

With grateful hearts,

Michael Yancey, Jr.
Director of Donor Relations
